

NEW GUIDANCE FOR PARENTS

- 1) Please make sure that all your child's Emergency contact information is up to date.
- 2) If you know that you have been in contact with anyone who has tested positive for COVID-19 in the last 14 days, DO NOT enter the school premises and please do not bring your child. In the event that a family that resides in your household, or you, decide to travel by airplane, you promise to self-quarantine for 2 weeks or get a Covid-19 test that reads negative prior to your child's return to Toluca Crossroads.
- 3) If you have been diagnosed with COVID-19, please let us know immediately.
- 4) Unfortunately until further notice, there will be no soft toys/lovey or toys allowed from home, no exceptions please. All personal items should be labeled and kept in a separate bag, for example bedding/spare clothes, to ensure that personal items are separate from others. As a second protective barrier, we will provide each child with a cloth bag to put their personal belongings in to ensure that all personal items are kept separate from any other child's possessions.
- 5) Pre-k and Kinder classes will no longer be asked to come in uniform.
- 6) All children will need to bring a new/clean pair of shoes please (VELCRO CLOSURE ONLY) to be kept on the school premises. In the entryway, please take off your child's shoes and take them with you. Please remember to bring back a pair of shoes at pick-up time. We will change the children into their new shoes before they enter the classrooms.
- 7) The Staff will also have spare shoes on site or they will wear booties that they will be using only in the facility.
- 8) We purchased new lunch cubbies for the classrooms that will ensure that lunch boxes will not touch one another.
